

REMARKS

This is in response to the Notification To Comply With Requirements For Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, dated January 28, 2008.

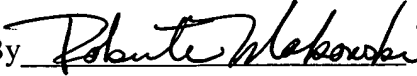

Applicants respectfully submit herewith a substitute paper copy of the "Sequence Listing" which conforms to 37 CFR §§ 1.821-1.825, a diskette of the "Sequence Listing" in Computer Readable Form (CRF), along with a Statement to Support Filing and Submission in Accordance with 37 CFR § 1.821 through 1.825. No new matter has been added to the Sequence Listing. Entry of this Sequence Listing into the application is requested.

The Examiner has stated that pages 53, 54, 88, 102, 112, 242, 292, and 315 are missing from the Sequence Listing and page 20 is missing from the specification. Please note that Applicants' copy of the as filed application does not have any pages missing, therefore it appears that certain pages of the Sequence Listing and the specification were not scanned into the Image File Wrapper of this application when the application was initially filed. Applicants are therefore resubmitted page 20 of the specification and another paper copy and CRF copy of the Sequence Listing. Applicants have accordingly amended the specification to direct entry of the Sequence Listing and to include page 20 of the specification. Page 20 of the specification corresponds to the English translation of page 18 line 18 through page 19 line 15 of the international application previously submitted. Please also note that the enclosed diskette CRF copy of the Sequence is identical to the previously submitted CRF copy except that the application serial number and the filing date have been added. No new matter has been added.

Applicants are submitting their response within the one-month response period set to expire on February 28, 2008. No fee is believed due with this response.

However, if a fee is due, please charge our Deposit Account No. 03-2775, under Order No. 13311-00010-US from which the undersigned is authorized to draw.

Respectfully submitted,

By
